Cun «Papardets» publitgescha l'autura putera Nina Dazzi ses emprim poemari. En radund 70 poesias maina ella tras cuntradas lontanas e spazis interns – da Cuba fin en l'Irlanda, da la mar fin en las muntognas engiadinaisas. Ils vers da Nina Dazzi, ch'èn savens fitg reducids, vivan da maletgs sensuals, da spustaments sonors e da colliaziuns surprendentas. «La poesia da Nina Dazzi appellescha als divers sens e svaglia cun que l'imaginaziun e la partecipaziun dal lectur.»
